

## North/South Luangwa Experience

Our 10 night North/South Luangwa Safari takes you through the whole of the [Luangwa Valley](#) from the very south of the South Luangwa to North Luangwa, we discover the unspoilt wilderness and untouched beauty of the Luangwa River region, Zambia.

The safari starts in Lusaka the schedule flight takes you to Mfuwe and from there it is conducted in open 4 x 4 vehicles with shade roofs provided for your comfort for the travel between camps and takes you through some of the remotest areas in Africa. Challenging road conditions and river crossings add to the adventure.

The safari starts at [Kafunta River Lodge](#) where you spend your first nights and discover the high concentration of game in Mfuwe area during your morning and afternoon game drives. From here you transfer south to stay at the remote [Island Bush Camp](#) where you discover this remote area of the park on foot.

The Island Bush Camp is located 2 hours by road transfer south of Kafunta, the alternative route takes us through the National Park and this game drive takes up to 4 hours. The Camp is set on the banks of the Luangwa River overlooking a pod of hippos. Accommodation is provided in 5 chalets, raised of the group with an open design. The Camp is base for the coming days and offers endless opportunities to discover this remote area of the park.

From here we return to Kafunta for a short break before we fly to North Luangwa. The short flight offers the great opportunity to see this wild area from the air. This more remote park is naturally beautiful and is known for its high population of predators, huge buffalo herds and endemic Cookson's wildebeest which combine to give you a real wilderness experience.

North Luangwa is one of the wildest places on earth! We will be staying at Mwaleshi Camp, which is set on the crystal clear Mwaleshi River in the heart of the park. The remote setting of this comfortable camp adds to the real wilderness atmosphere. Mwaleshi Camp will be our base for the following few days where we will discover the wilderness on foot. Driving/walking combinations will allow us to explore different areas of the park.

A flight from Mwaleshi airstrip takes us back to Mfuwe. This 45 minute flight offers another opportunity to view the mighty Luangwa River from the air. The final days are spent discovering more of the South Luangwa National Park, with morning and afternoon game drives being undertaken from Kafunta River Lodge. The Safari ends with a return flight to Lusaka. **Note:** The sequence of camps is subject to change.
