

RIVER JOURNEYS

NOTE: CAMP ORDER IS SOUTH LUANGWA IS FLEXIBLE DEPENDING ON AVAILABILITY

This safari covers one of Zambia's premier parks – SOUTH LUANGWA. The Luangwa Valley, which marks the end of the Great Rift Valley, is one of the last unspoiled wilderness areas and possibly the finest wildlife sanctuary in Africa. The Luangwa River flows into the Zambezi River – just below the Lower Zambezi National Park.

Day 1 On arrival at Mfuwe International Airport a guide from Robin Pope Safaris will meet you. The drive to Nkwali Camp is 1 hour through colourful local scenes of villages, agriculture as well as bush. Nkwali Camp has a wide view of the Luangwa River. On Robin's private land, and overlooking the South Luangwa National Park, Nkwali is ideally situated for the start of your safari. The six rooms all look out over the river and have open air bathrooms. Depending on your arrival time, in the day you will enjoy a lunch looking out over the lagoon to the back of Nkwali or if in the afternoon for tea and the afternoon and night game drive. **NKWALI CAMP**

Day 2-3 At dawn breakfast is served around the campfire. The porridge heated on the fire and toast cooked by the coals. The morning walk or drive will leave soon after and your photographic expedition will begin, entering the park by boat from the camp or by the nearby pontoon. The game in the area is excellent – and includes many family herds of elephants and the endemic species of giraffe, the Thornicroft Giraffe. A mid morning break of tea, coffee and cake will be taken by a scenic point on a lagoon or the Luangwa River. Return to camp for lunch around mid day. After lunch you can cool off in the swimming pool or siesta. Tea will be served in the afternoon and then off on an afternoon game drive that continues into the early night giving the chance to see the nocturnal world. Usually one returns to camp about 20.00 hrs with dinner generally at 20.30 **NKWALI CAMP**

Day 4 – 6 This morning you will take the boat up to Nsefu Camp. This will take between 2 and 4 hours depending on what you see on the way. The Luangwa River will be high and many of the lagoons will be full. The bird life is amazing along the river and you will often see a bull elephant or a lion on the banks. Nsefu Camp is on a sweeping bend of the Luangwa River. There are six round rondavals with luxurious en suite facilities and each room has a clear view of the river through large windows and from the new wooden verandahs. On arrival at you will be shown to your accommodation and then lunch will be served followed by a well deserved siesta before you set off on an afternoon activity. Over the next few days you will explore the area by boat and by foot. There are many lagoons, ebony groves and channels that will be flooding and so you will be boating over land which is the driving area of the park in the dry season. Also, taking a scout with you, you will be able to enjoy a walk to explore further afield in the park for an all day picnic. Lunch will be under a tree or next to a lagoon and you will then be able to take a siesta or simply spend a lazy couple of hours reading a book or watching the fascinating animals and landscape around you. Returning to camp when you are ready – you may decide to continue straight on your evening boat ride and return to camp at sunset – these are very flexible days. **NSEFU CAMP**

Day 7 Your last day in the South Luangwa – and you will boat back to Nkwali in the morning. There will be time for afternoon activities - walking or game driving as you wish as well as enjoying the food and good company before heading off to your next destination. **NKWALI CAMP**

Day 8 After breakfast you will be transferred to Mfuwe Airport for your flight to Lusaka and onwards connection.
