There are game viewing opportunities too with a chance to see the white rhino in Mosi-Oa-Tunya National Park and river trips on the Zambezi River.

**South Luangwa National Park** marks the end of the Great Rift Valley and is one of the last unspoilt wilderness areas and one of the finest wildlife sanctuaries in Africa through which the meandering Luangwa River runs. The ox bow lagoons, woodland and plains of the valley host huge concentrations of game - including elephant, buffalo, leopard, lion, giraffe, hippo - and over 450 species of birds.

**Pumulani on Nankumba Peninsula** recognized as one of the most beautiful shores of the Lake and borders Lake Malawi National Park. This Park was established in order to protect the cichlid fish unique to the area. In 1984 the park was designated a World Heritage Site.

#### **DAY ONE**

On arrival at Livingstone International Airport a representative from Stanley Safari Lodge will meet and transfer you to the lodge for three nights on an all-inclusive basis.

Stanley Safari Lodge is located on the hills overlooking the Zambezi River and Victoria Falls in a bush location. Accommodation is in 10 uniquely designed chalets constructed of teak and local stone and are open fronted or more colonial style brick and tiled rooms, which are closed. Each has a private balcony ensuring spectacular views over the Zambezi River and the suites have plunge pools.

### **DAYS TWO AND THREE**

There is a wide range of activities on offer in the area which can be booked at the lodge - these include trips to see the falls, town museums and markets and sunset cruises.

For the more adventurous, Livingstone boasts a whole host of adrenaline filled activities including whitewater rafting, bungee jumping and micro lighting. Or you may just wish to rest in camp and enjoy the spectacular scenery and peaceful atmosphere. The day will end with a relaxed dinner and perhaps drinks in the wine cellar.

### **DAY FOUR**

Today you will be transferred by road to Livingstone Airport to connect with your onward flight to Mfuwe in the South Luangwa National Park. A guide will meet you at Mfuwe Airport for your transfer to Luangwa River Camp for 3 nights on an all-inclusive basis.

Luangwa River Camp sits nestled under an ancient ebony grove on the banks of the Luangwa River overlooking the game rich area known as the Luangwa Wafwa. This small and intimate camp has just five bush suites with brick walls and thatch roofs and each suite has an ensuite bathroom with bathtub looking out onto your own

private corner of Africa. Both the bedroom and bathroom are fronted with large sliding doors leading onto a decked area allowing a lovely breeze into the room and great views onto the river.

The main area stretches over various elevated decked levels and there is a double plunge pool with a waterfall. Seating areas around the pool and open plan bar offer uninterrupted views across the river and into the National Park.

Depending on your arrival time you may settle in for some lunch, a siesta then off on an afternoon activity. On your game drive there is an option to turn back after sundowners or you can continue to see what nocturnal wildlife you can spot, returning to camp by 8pm.
