KAFUNTA RIVER LODGE, THREE RIVERS CAMP AND FLATDOGS CAMP**

Depart London Heathrow on Kenya Airways arriving into Nairobi the next day.

**DAY ONE**

On arrival into Nairobi you are in transit until you board your Kenya Airways flight to Lusaka. On arrival into Lusaka proceed through passport control, purchase your visa if you have not done so already, collect your luggage and make your way through to the arrivals area where you can check in for your Proflight flight to Mfuwe. On arrival you will be met by Kafunta Safaris and transferred to Kafunta River Lodge for 4 nights on an all-inclusive basis.

Kafunta River Lodge is a classic Zambian safari lodge and combines all the essentials for a great safari. Here you will find the rest and peace you need after an exciting day on safari in combination with personalised service and a warm welcome by our team.

Each of the luxury private chalets and the main lounge and dining area overlook the game rich flood plain. Beyond the plain is the Luangwa River and one of the best game viewing areas of the magical South Luangwa National Park, the premier park in Zambia and one of the best national parks in all of Africa.

The eight private safari chalets have been built on raised wooden platforms and have thatched roofs. They are tastefully decorated with African style and charm. All were refurbished in 2014 to a high standard.

#### **DAY FIVE**

This morning you will be transferred by road to Three Rivers Camp for 4 nights on an all-inclusive basis.

Three Rivers Camp is located approximately 2 hours South of Kafunta River Lodge and is exquisitely intimate with only 5 spacious tents, elegantly decorated with natural materials and earthy hues. They have large gauzed windows embracing extensive views of the Luangwa River and the nearby lagoon. Each tent has its own wooden deck with comfy chairs to enjoy the surrounding vistas. The en-suite bathrooms include indoor and outdoor showers, double sinks and flushing toilets.

The distinctive feature of each guest room is its private elevated platform, safely connected to the tent for convenient access day and night. Ready with plush beds, the platform lets you absorb the stunning views during the day or sleep under the stars surrounded only by the sights and sounds of the African bush.

#### **DAY NINE**

This morning you will be transferred by road to Flatdogs Camp for 3 nights on a full board basis including safari activities.

Flatdogs Camp is on the border of the South Luangwa National Park – the park is nine thousand square kilometres (3,475 square miles) of pristine wilderness and Flatdogs offers the perfect gateway. The Luangwa offers a safari experience unmatched by any other destination, allowing year round access, open game viewing vehicles, walking safaris and night game drives.

On the banks of the Luangwa - with the best views in camp - we have positioned six of our luxury en-suite safari tents which are spacious enough for full-sized beds, a hanging rack for clothes, bedside tables and lamps. A door leads into a shaded open-air bathroom with hot shower, flush toilet and basin. The luxury tents also have mosquito nets and electric fans as well as fully gauzed windows.
