On arrival into Meru you will be met at the airstrip and transferred to Elsa's Kopje. **Accommodation is booked for 3 nights on an all-inclusive basis.**

Unashamedly romantic and beautifully styled, Elsa's Kopje is sculpted into Mughwango Hill, above the site of George Adamson's original camp where he raised and released orphan lions, long before conservation became fashionable. Each cottage is crafted around the rocks, with a large bedroom, open sitting room, veranda and spacious bathroom, each with breathtaking views.

Guests can enjoy inimitable seclusion in the vast expanse of Elsa's Kopje, boasting 870km², the equivalent of 215,000 acres, of authentic African landscape. The park offers a thriving rhino sanctuary, and is famous for large elephant herds, hippo, lion, and birdlife; Meru National Park is recognised as having more diversity of animal species than any other park in East Africa. All the guides are Bronze or Silver level Kenya Professional Safari Guides Association certified.

The National Park is one of the most beautiful in Africa, and apart from being home to plentiful lion, cheetah, leopard, elephant and rhino, it is known for its diversity of habitat and wildlife, including the rare and beautiful lesser Kudu.

A birders paradise, Meru boasts over 400 species, as well surprising botanical treasures including the giant baobab tree and rare paper bark Albizia. Our guides know the territory of the Meru lions and leopards, but also in a habitat so diverse, they know the medicinal properties of the unusual plants, are keen birders, and can show you the home of the tiny naked mole rat!

Day 4 – Lewa Safari Camp – Lewa Wildlife Conservancy

Today you will be transferred to the airstrip for your flight to Lewa Wildlife Conservancy. On arrival you will be met and transferred to **Lewa Safari Camp for 3 nights on an all-inclusive basis.**

Visitors to Lewa enjoy some of the most spectacular wildlife viewing that Kenya has to offer - lion, leopard and jackal thrive on the rich diversity of prey that inhabits the area. The Wildlife Conservancy is home to the largest concentration of Grevy's zebra in the world, and its range of habitats attracts diverse birdlife and hosts over 130 Black and White rhino.

Featuring large tented bedrooms with verandas and full en-suite bathrooms, Lewa Safari camp offers authentic comfort for its visitors; cosy log fires in the sitting room are perfect for relaxing after a day in the Conservancy. This unique and exclusive retreat offers privileged access to 65,000 acres of private protected wilderness.
