Resting at the confluence of the Indian and Atlantic oceans and situated between the slopes of the iconic Table Mountain and the glistening turquoise waters of the Atlantic and Indian oceans, the scenic city of Cape Town is in a class of its own. Some cities boast rich culture, vibrant nightlife, a cosmopolitan atmosphere, and extraordinary architecture, while others boast wonderful landscapes and extraordinary natural wonders. Cape Town has all of these attractions and so much more - with its bustling harbour, world-class beaches, top-notch vineyards, and mountainous surroundings brimming with diverse flora and fauna, Cape Town consistently captivates the hearts of all who visit.

Cape Grace is a luxury boutique hotel and spa situated on its own private quay in the centre of the vibrant Victoria & Alfred Waterfront with Table Mountain as a backdrop. The Cape Grace combines style and warm South African hospitality. Each of the individually decorated guest rooms and suites reflect the charm of Cape Town with modern luxuries. A car hire is included during your stay in Cape Town and the winelands.

DAY FOUR

Today you will check out of the Cape Grace Hotel and drive to Grand Provence for two nights on a full board basis. This holiday can be offered with either a car or private transfers whilst in South Africa.

Around an hour away from Cape Town and sitting in the magnificent Franschhoek Valley in South Africa's Western Cape, the estate's lush vines spread across 47-acres with vistas over the valley floor and rugged mountains beyond. This is heartland South African wine country at its very finest with rows of vineyards, young olive trees and ancient oak trees silhouetted against the mountains beyond.

With just seven rooms including a choice of five luxurious suites, this boutique hotel has own winery, art gallery, spa and award-winning restaurant.

DAY SIX

Today you will drive back to Cape Town International Airport where you will drop off your hire car and check in for your flight to Maun in Botswana. On arrival you will be met and assisted to board your light aircraft flight to Jack's Camp in the Makgadikgadi Pans National Park for 3 nights on an all-inclusive basis.

Refurbished in 2021, Jack's Camp is a luxury tented camp set in a one-million-acre private wildlife reserve. This 1940s campaign style camp has just nine tents which are around 270 square metres in size, with stunning interiors embellished with rich textiles from around the world, Natural History Museum cabinets, and an overhead bed cooling system. Ensuite bathrooms have both indoor and outdoor showers and outside each veranda has a private plunge pool.

Activities include quad biking, bushman walks, classic desert game drives, meerkat visits and horse rides. After an early morning desert exploration, retreat back to the sanctuary of camp to sit back and relax in the elegant Persian tea tent.

The camp has one of the most comprehensive collections of ancient artefacts in Botswana, collected and curated by the Bousfield family over decades. Indulge in a lazy afternoon in your private plunge pool overlooking the Makgadikgadi pans, watching the world go by. Keep your eyes peeled for the year-round desert wildlife: brown hyena, oryx, Kalahari lion and, after dark, aardvark, porcupine, honey badger and bat eared fox.

DAY NINE

Today you will transfer back to the airstrip in time for your light aircraft flight to Abu Camp in the Okavango Delta for 3 nights on an all-inclusive basis.

Abu Camp is set in the 180 000-hectare Abu Private Reserve - one of the largest exclusive protected areas in Botswana's Okavango Delta. A vast, richly diverse area with a remarkable mosaic of habitats, abundance

of wildlife, and iconic Delta landscapes, panoramas of palm-studded islands and grassy floodplains, seasonally inundated with pure, crystal-clear water descending from the Angolan highlands.

Abu is set in a pristine riverine forest blending in with the magnificent hardwood trees. With an unusual architectural marvel design, the camp has roofs peaking like sails and a cascade of teak decks. Each of the six luxurious suites has its own distinctive furnishings and fittings featuring an indoor and outdoor shower, outdoor bath and a plunge pool sunk into the elevated deck. The tents as well as the main areas – the multi-decked lounge and dining area, well-stocked library and study, and pool – overlook a large lagoon visited by wildlife.

Explore secret papyrus-fringed channels and islands by mokoro and on game drives, scout for giraffes, zebras, elephants, impalas, tsessebe, lechwe, wildebeest, buffalos, hyaenas, leopards, warthogs, lions.

DAY TWELVE

Today you will transfer back to the airstrip in time for your light aircraft flight to Little Duma Tau in the private Linyanti Concession for 3 nights on an all-inclusive basis.

Little Duma Tau lies between two elephant corridors in the Linyanti Wildlife Reserve in Botswana's far north and has a unique access to both the Linyanti River floodplain and the Savuti Channel. The camp enjoys lagoon and river frontage and access to diverse habitats and offers prolific game viewing on both land and water – by game vehicle, by boat or barge, on foot. Or from the air, helicoptering over the Linyanti.

Little DumaTau is an intimate and elegant camp with just four spacious guest suites each with its own lounge, private plunge pool, bathroom with indoor and outdoor showers and uninterrupted views over Osprey Lagoon.

Here you will have the chance to view leopards, lion, antelope such as roan and sable, huge herds of buffalo and families of elephant. Watch wild dogs hunt - and contribute your sightings and photographs to the study of their behaviour and dispersal.

DAY FIFTEEN

Today you will be transferred back to the airstrip in time for your light aircraft flight to Kasane International Airport. On arrival you will be met and transferred by road across the border into Zimbabwe and on to the Victoria Falls Hotel for 2 nights on a bed and breakfast basis.
