## WE GET YOU CLOSER

**9 NIGHT & BEYOND BOTSWANA UNDER CANVAS  
CHOBE, SAVUTE AND THE OKAVANGO DELTA**

### **DAY ONE**

On arrival into Kasane International Airport you are met and transferred by road to Chobe Under Canvas Camp for 3 nights on an all-inclusive basis.

A haven for wildlife in the dry season, Chobe is renowned for its large concentration of elephant and buffalo, which congregate along the Chobe River. Chobe Under Canvas is situated in the park's northern reaches, ideally positioned close to the river. The common guest area comprises a spacious tent for dining, pre-dinner drinks, or simply whiling away the time between game viewing adventures with a good book and a frosted beer or glass of wine. Delicious meals cooked over the coals are shared around a blazing fire. Each of the 5 spacious canvas tents has a comfortable double or twin bed, an ensuite bathroom, separate flush WC and an outdoor bucket shower – steaming hot water is available on request. A private butler is on

hand to assist with any requirements. Well-worn game paths that meander through the safari tents and down to the water's edge mean wildlife does come close – and even into – camp!

#### **DAY FOUR**

Today you will transfer by road back to Kasane Airport in time for your light aircraft flight to Savute. On arrival you will be met and transferred to &Beyond Savute Under Canvas Camp for 3 nights on an all-inclusive basis.

Savute, a remote and wild corner of Chobe National Park, stretches from the park's northern boundaries to the Linyanti River. It's named after the Savute Channel, which flows and dries up intermittently. Savute Under Canvas is a mobile camp carefully positioned close to this channel which feeds into the Savute Marsh, home to exceptional numbers of elephant-hunting lion and the camp is well located to explore this remote region.

The guest areas have open-sided tents for dining, pre-dinner drinks, or simply relaxing between game drives with a good book and a frosted beer or glass of wine. Delicious meals cooked over the coals are shared around a blazing fire. Just five, spacious canvas tents with comfortable double or twin bed, an ensuite bathroom, separate flush WC and an outdoor bucket shower – steaming hot water is available on request. Again, your private butler is on hand to assist with any requirements.

## DAY SEVEN

Today you will transfer back to the airstrip in time for your light aircraft flight to the Okavango Delta. Keeping on the theme of small, intimate tented camps we have chosen &Beyond Xaranna as our third camp, but you can choose from any of the &Beyond Camps in the Delta – and still keep the long stay offer!

Xaranna nestles deep in the heart of Botswana's game-rich Okavango Delta. With sweeping views opening up onto a seasonal lagoon, this light and airy camp enjoys luxurious solitude on its own Delta Island, within an exclusive wildlife concession.

Xaranna has just nine ensuite safari tents that luxuriously combine canvas, soft drapes and bleached timber, an outdoor sala, private plunge pool, indoor bathtub and al fresco shower. The overall atmosphere of the camp is cool, light and airy, in keeping with the gentle beauty of its environment. Taking inspiration from the Delta's profusion of water lilies, the camp's pastel colour tones are a delicate spectrum of olive greens, lily pinks and a chic yellow hue.

The guest areas are all carefully positioned to enjoy the expansive views across the Delta to the distant tree lines. The guest sitting area has a spacious reading section – perfect for afternoon relaxation, and the elevated dining area extends onto a shady veranda which in turn leads onto an open-air boma where candlelit dinners are served beneath the stars. Our well-stocked Signature Shop offers a range of chic outdoor gear, African art and jewellery.

## DAY TEN

Today you will transfer back to the airstrip in time for your light aircraft flight to Maun to link with your international flight home.

Not ready to go home quite yet? Then we can offer some time at Victoria Falls at the beginning or we can extend this safari to include more time on safari in Botswana's desert regions, or perhaps some a contrasting camp in the Okavango Delta. Cape Town is just a quick flight from Maun and very accessible!
